Warm greetings from the FCC as we celebrate...

[Kris Monteth](#) | Chief, Wireline Competition Bureau

[Patrick Webre](#) | Chief, Consumer and

Governmental Affairs Bureau

Today we are launching a [new webpage](#) that showcases the FCC's work to...

[More Notes](#)

Disability Rights

Our Disability Rights Office addresses a variety of disability-related telecommunications matters, including access to equipment and services, mobile phone web browsers, emergency information and closed captioning. We also provide expert advice and assistance to consumers, industry and others on issues relevant to people with disabilities.

Disability Rights Office

The Consumer and Governmental Affairs Bureau develops and implements the FCC's consumer policies and serves as the agency's connection to the American consumer. Our mission includes disability rights, consumer education, and outreach to state, local and Tribal governments. [Learn more about our work.](#)
